

Inside C.R.O.S.S. Kids at Friedberg

Fall 2025

About C.R.O.S.S. Kids

CROSS Kids is our Christ centered, Bible based Children's Ministry at Friedberg Moravian Church. We work to build relationships with Jesus, our families and each other. We will discover our children's spiritual gifts for outreach to serve our church and community.

At Friedberg, we feel these are very important points for children to begin to learn about and build their spiritual foundation.

Christ

Knowing Christ, learning about Christ and sharing Christ is the base of our spiritual lives. During the times we meet together, children learn about who he is and what all he has done for us.

Proverbs 22:6

Relationships

Building meaningful and positive relationships begin at an early age. Children will learn about these relationships through Bible stories, interactive learning, and having times where they get to know each other better. Along with building relationships with others, old and young, we will also focus on building a stronger relationship with God.

John 13:34-35

Outreach

Christians are not called to keep the love of Jesus to ourselves. This part of C.R.O.S.S. Kids is very important. We want to share what we are learning with others. Each semester, we have nights where our focus is on inviting friends to join us. This can be done every time we meet, but we make it a focus on a few nights. Acts 1:8

Service

Children can sometimes find it difficult to do something for others. Throughout our time together we take time making things to send to our college friends, to people in nursing homes, as well as other people in need. It's an amazing sight to see the children learn to love to do for others! Matthew 25:40

Study

Even as we grow older, we will always study God's Word. Teaching children at a younger age is very important. At Friedberg we study God's Word in Sunday School and during our C.R.O.S.S Kids time. We do this through devotions, Sunday School curriculum, singing and dancing. Psalm 119:105 and Luke 11:28

FALL CALENDAR OF EVENTS

This Fall we are going to dive into the goodness of God and how he wants us to come to Him no matter what-His light is always shining brightly for everyone to see and hopes we will help shine His light too! Our semester is called, "Come as you are...We'll leave the light on!" So, come on, bring a friend and join us for a great semester of fun and learning!
